

“2 programs to cover life-long Oral Health using Prevention”

Teddie Dominy Land, RDH, BBA

April 10th, 2018: 6:00 p.m. – 8:00 p.m. (Check-in begins at 5:30pm)

Course Description:

Part 1: The Older Adult & Oral Health: This course will focus on the oral care needed for the geriatric population and discuss options available.

Part 2: White Spot Lesion (WSL) Treatment for Orthodontic Patients: This course will focus on successful management strategies for patients undergoing orthodontic treatment, including the etiology, and prevention of white spot lesions (WSL), a common adverse effect for patients in orthodontic treatment.

Learning Objectives:

Part 1:

- Understand aging population demographics
- Describe common systemic and chronic diseases in the geriatric population that impact oral health
- Identify oral health concerns and treatment options for the geriatric patient

Part 2:

- Recognize the importance of motivational interviewing and behavior modification counseling before orthodontic treatment starts
- Effectively communicate a prevention plan and treatment goals with all stake holders
- Identify caries risk before, during and after orthodontic treatment with a caries risk assessment
- Recognize appropriate products based on risk factors
- Evaluate effective biofilm removal techniques for orthodontic patients
- Understand the importance of dietary counseling for the prevention of white spot lesions

About: Teddie Dominy Land, RDH, BBA

Teddie has served the Dental Industry for over 34 years; practicing as a Dental Hygienist for 20 years and as a Manufacturer Representative and Preventive Speaker with 3M's Oral Care Solutions Division for the past 14 years. She is responsible for accounts in North and Central Georgia.

She has also held several positions in the Georgia State Hygiene Association including the office of President during 2009-2010.

In August 2009, she published an article in "Modern Hygienist" entitled "A Proven Prevention Regimen for Successful Caries Management."

Teddie has had the privilege of speaking on Prevention at many meetings including "The Rocky Mountain Dental Conference" and ADHA's "Under One Roof".

Seats are limited. Please contact Jill with any questions at (704)366-2774 or info@southparkperio.com.
